## Spring 2020 Nature Center Educator-Paid Internship

Majestic View Nature Center and Community Park is a place to experience and understand the area's natural features by interacting directly with nature. The 3,000 square foot Nature Center features hands-on nature displays, wildlife exhibits, a kid's area, classrooms, and meeting space. The park encompasses over 80 acres, including a lake and wetland areas, a beautiful demonstration garden, interpretive trails, prairie grasses and many wildlife species.

The Nature Center Educator Intern's main responsibility will be to teach school groups that book programs in April and May. Typically, there are three elementary school field trips per week during the spring. Before the school season begins, there will be ample time to learn the curriculum and be able to assist with other responsibilities around the park and in the Nature Center.

**Dates:** Flexible; estimated March to June (MUST be available through the end of May).

**Hours:** Variable 5-20 hours a week, up to 300 hours total

**Compensation: Approximately \$12 per hour (minimum wage)**

### Responsibilities of the Intern:

- Teach Majestic View Nature Center school programs on weekday mornings, occasional evening events, and other special projects.
- Visitor engagement and become an ambassador for the Center during public hours.
- Monitor safety, security and cleanliness of the Center and its surrounding grounds.
- Provide a welcoming and memorable experience for Center visitors.
- Work closely with the Nature Center staff and volunteers in creating new programs, exhibits, activities and participate in staff meetings.
- Ability to perform some manual duties associated with programs and building use; arranging table, chairs and equipment, leading outdoor activities, cleaning after programs, aquarium care, or other duties as they arise.
- Work flexible hours as assigned, teaching shifts are determined by when schools book their field trips at least 2-3 weeks in advance.
- Help plan, prepare, and facilitate Arvada's Trails Day event, annually the first Saturday in June.
